CLIFFORD THE BIG RED DOG (TV Theme Song)

Clifford needed Emily
So she chose him for her own.
And her love made Clifford grow so big
That the Howard's had to leave their home
He's the greatest dog ever, I really think so
Clifford's so loyal, he's there when you call
I love Clifford, the Big Red Dog!

So they packed up the family car
And the Howard's left the city
They moved to Birdwell Island,
there were many friends
There to greet Clifford & Emily
Clifford's so much fun, he's a friend to us all
I love Clifford, the Big Red Dog!

A GIRL AND HER DOG

A girl and her dog
Open their eyes
Look at each other
Look out the window
See the sun rise

A girl and her dog
Head for the street
Out of the front door
Into their morning
On all their six feet

(Chorus)
Smile smile smile
Runnin' a mile
Everyone sees 'em
Wish they could be havin' fun like

A girl and her dog
They're a parade

And every corner
Every store window
Is their own arcade

A dog and his girl
Dance through the day
Jumping on sand dunes
Jumping in puddles
A mad matinee hey

(Repeat Chorus)

A girl and her dog
Floating downstream
On towards the morning
On towards tomorrow
Another daydream

A girl and her dog

HAVING A FRIEND LIKE YOU

Everyday is like summer and spring
Every song is a song I can sing
I've never felt better. I never feel blue
Having a friend like you

Someone to talk to and someone to care
Someone to walk with who'll always be there
There's nothing like making a memory or two
Having a friend like you.

A friend like you is all I need
A friend like you is a friend, indeed
A friend like you is hard to find
Thank you for being mine

2 Life's an adventure, exploring the land
Feel like the world is at our command

There's nothing like being one out of two
Having a friend like you.

Having a buddy and being one too.
Having a friend like you.

Having a friend like you. (x2)
A friend like you.
A friend like you.

DOG HOUSE PARTY

Clifford told Cleo
Cleo told T-Bone
T-Bone told Mac
And Mac began to shout it
Pretty soon everybody heard about it

(Chorus)
There's a DOG HOUSE PARTY
Dog house party all right
There's a DOG HOUSE PARTY
At Clifford's house tonight

Digging up bones
Playin' in the park and
Chasing lots of butterflies
Everybody's barkin'

Rolling on the grass
Runnin' thru the Island
Divin' in the seaweed
Everybody's smilin'

(Repeat Chorus)

Dancing ear to ear
Nose to nose
Tail to tail

Toes to toes
Squeakin' with their toys
Makin' lots of noise
If it's kibble you've been itchin' for
Head right through the kitchen door

(Repeat Chorus)

FIRST PRIZE IN FRIENDSHIP

Clifford wins
The FIRST PRIZE IN FRIENDSHIP
In friendship the very first prize
He's the very very best at being best of friends
I bet his trophy's gonna be king size!

When Clifford won
The FIRST PRIZE IN FRIENDSHIP
He couldn't believe his eyes
All his friends began to cheer and they
jumped up and down
When Clifford went to get his prize

Now when they gave a prize for being fluffy
Cleo won the blue ribbon
And Mac and T-Bone all said "Hooray!"
When they saw the prize that Clifford was
given

The FIRST PRIZE IN FRIENDSHIP
He shared it with the rest of the guys
They said, "That just goes to show
Clifford's the best we know!"
For all the friendly things you do
The FIRST PRIZE IN FRIENDSHIP'S for you!

ON THE SLOOP DE LOOP DE LOOP

(Chorus)

On the Sloop de Loop de Loop
De Loop de Loop
De Loop de Loop

We took Clifford sailing
On the Sloop de Loop de Loop
We took Clifford sailing
O'er the deep and briny soup

He stood higher than the masthead
His nose upon the bow
His tail draped the portside
The first mate whispered, "Wow..."

(Repeat Chorus)

Out upon the water,
The wind a sailor's song,
I knew this was the kind of day
When nothing could go wrong

And then, there in the distance
There dove a fishy tail
A tuna? Trout? A barracuda?
Oh no! A killer whale!

(Repeat Chorus)

I saw him and he saw me
He set a rapid course
Straight for our Sloop de Loop de Loop
Could she stand the force?!

Closer, closer, closer still
The killer whale did near
The captain, crew and passengers

Feared a fearsome fear

(Repeat Chorus)

Everyone aboard just held
Tightly to the rail
We did not want to visit
The belly of that whale

Then... the whale stopped – and clearly
From deep inside its throat
I heard it say, I promise,
And courteously quote:

"That is the biggest red canine – or canine of
any color – I say, absolutely the largest dog of
any greater-than-average size I've ever seen
afloat!"

The killer whale smiled
(As killer whales should)
And swam away while shouting,
"Really big is really good!"

And that's just how it happened
It's the honest inside scoop
When we took Clifford sailing
On the Sloop de Loop de Loop
On the Sloop de Loop de Loop

HAPPY BEING WHO YOU ARE

You gotta dance like there's no one looking
Sing so they hear you near and far
Making the most of every moment
And be happy being who you are

You gotta dance like there's no one looking
Making the most out of every moment
And be happy being who you are

Climb a mountain, sail the sea
Ride with the windows down
Write a poem or a symphony
Or be a circus clown

You are unique. There's no one like you
You shine as bright as any star
You are yourself that's why I like you
So be happy being who you are

Fight a dragon just for fun
Be a secret spy
Paint a portrait of someone
You can even fly

If you help somebody else somewhere along
the way
You're gonna make a friend or two
And the two of you can say

We're gonna dance like there's no one looking
Sing so they hear us near and far
Making the most out of every moment
And be happy being who we are

And be happy being who we are.

WE THREE

We three - we got it all together and
We three know how to have fun
We three - in any kind of weather
We three are all for one

T- Bone knows how to be a buddy and
I love to run and explore, and when...
We three get into something muddy
We know what friends are for.

Remember when Clifford brought a
policeman back while we were playing fetch?
And remember that time my sandcastle fell?
Nobody else knows better
Nobody else was wetter.

We three. We're always up to something and
three heads are better than two
Join us. Everyone's invited 'cause
We wanna be friends with you

Remember my fluffiest dog award?
And T-Bone's hide and seek?
And the time that Clifford couldn't fall asleep?
But we all got through it.
Sometimes I wonder how we do it.

We three. Always up to something and
Three heads are better than two
Join us. Everyone's invited 'cause
We wanna be friends with you
We three! We three! We three!!!

BIRDWELL ISLAND

In the middle of the big blue water
Underneath the big blue sky
Out there in the wild green yonder
Shines Birdwell Island

Everybody knows everybody
Everybody knows we are friends
In our home in the wild green yonder
On Birdwell Island

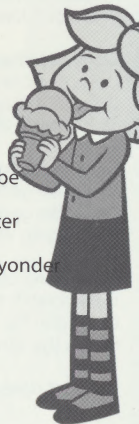

And my heart goes sailing
And you're sailing beside me
Warm as song on a summer night
And the soft wind whispers
Tells us we're home now
Safe as snow in December skies

Hey let's go out in the big bright morning
Say hello to everyone we see
Tell 'em all that we're glad to know them
On Birdwell Island

Friendship blooms
Through the year
Always now
Always here on
Birdwell Island

And my heart is laughing
And you're laughing beside me
Falling into each other's dreams
And the day is shining
On a beach full of diamonds
This is where we're supposed to be

In the middle of the big blue water
Underneath the big blue sky
Here we'll stay in the wild green yonder
On Birdwell Island
On Birdwell Island

WHAT DOGS LIKE

Dogs like puddles
Dogs like puddles
Dogs like puddles
But do puddles care for dogs?

Dogs like chewing stuff
Dogs like chewing stuff
Dogs like chewing stuff
But does stuff like getting chewed?

Digging digging digging digging
Bury bury bury
If I were a doggie bone
I wouldn't like that, uh-uh
I wouldn't like that very

Dogs like chasing anything
Dogs like chasing anything
Dogs like chasing
So if y'don't like getting chased don't move!

Dogs like getting scratched
Dogs like getting scratched
Dogs like getting scratched
Then again who doesn't?

Splash and chew and dig and chase
Now scratch my belly, ears and face
Oh yeah! I'm your new best friend
Now's the time for the song to end

But that doesn't mean y'have t'stop scratchin'!

Aaahh...

CLIFFORD LIKES ME

It's not easy being beautiful
Fancy and so fluffy
Being humble as I am
It really is a toughy

But whether I am perfect
Or just extraordinaire
I have a friend who knows I'm more than
Beauty, brains and purple hair

(Chorus)
Clifford likes me (yeah yeah)
Clifford likes me (yeah yeah)
Well, the big dog likes me
For who I am

I just don't like my toys getting messed
And chewed and soft and soggy
Especially when their sogginess
Comes from another doggy

But whether I've got all my toys
Or just a stick I found
I have a friend who says he's there
Toys or stick, he'll stick around

(Repeat Chorus)

And who I am at the moment is a dog
desperately in need of a pedicure.
Four pedicures. Match the hair color if you
don't mind...

Sometimes I just like to sleep
'Till very very late
Not that I need my beauty sleep
It's just -- it feels so great

But when I am exhausted
A wreck from counting sheep
There's someone who reminds me that
Beauty's only dog-skin deep

(Repeat Chorus)

And I'm everything I pretend to be.
Darlin' you know I am.

CLIFFORD

Have you ever seen a dog
like Clifford the big red dog.
He's the biggest dog that there ever was,
Clifford the big red dog
But he's gentle and kind and he loves to play
Just be careful that you don't get in the way
of Clifford the big red dog.

Emily Elizabeth is Clifford's little girl
And he loves her more than anything
in the whole wide world
And Emily takes such good care of him
And she loves him so much cause
her best friend is Clifford the big red dog.

Clifford has some doggy pals
who also love to play with him
And they like to hang out
at the park or spend the day at the ocean
they go down to the beach and jump and run
And play in the waves, it's so much fun with
Clifford the big red dog

Sometimes it's hard to be so large
And he's barkin' and scratchin'
and diggin' in the yard
Sometimes he gets into a little bit of trouble

But it's alright because he's so loveable

Have you ever seen a dog
like Clifford the big red dog.
He's the biggest dog that there ever was,
Clifford the big red dog
Have you ever seen a dog
like Clifford the big red dog.
He's the biggest dog that there ever was,
Clifford the big red dog
